

CHECK STRUCK OFF COMPANIES (REAL TIME STATUS)

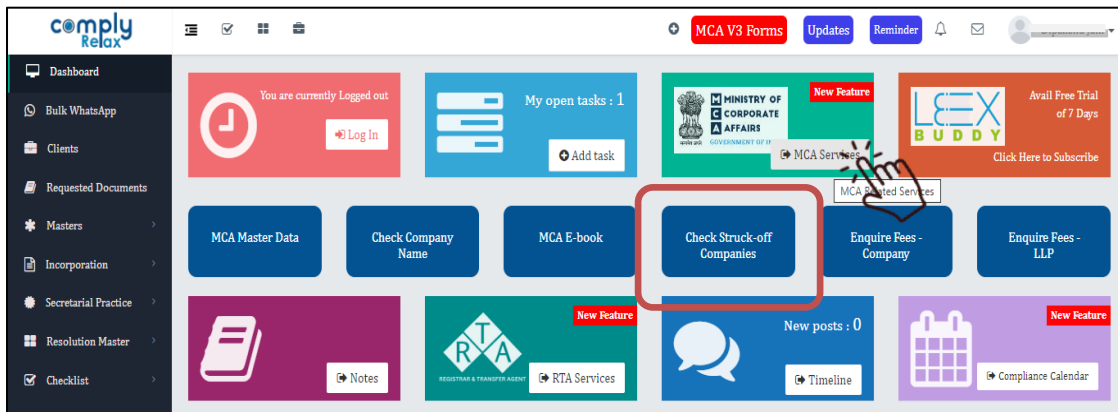

Dear Users,

Greetings of the Day!

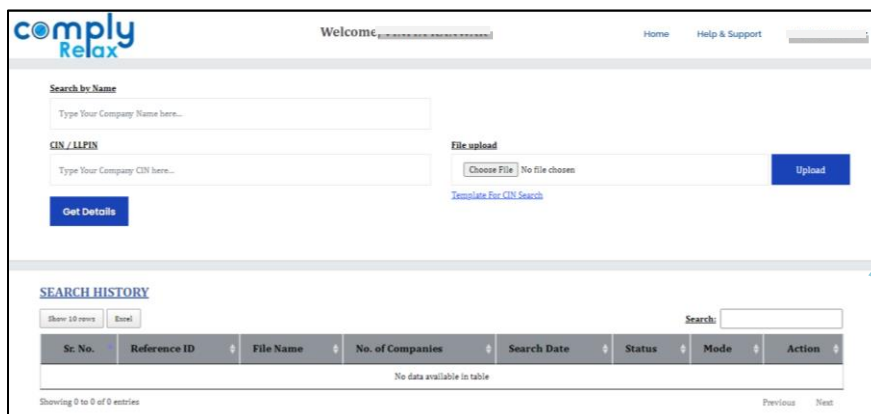

We are thrilled to introduce a new feature on ComplyRelax that allows you to check the status of any company with ease. This feature fetches details directly from the MCA in real-time, eliminating the need to manually visit the MCA portal and enter captchas for each company.

Key Highlights: - Real-Time Updates, Bulk Search Capability, Efficiency and Convenience

Steps to be followed:

On Dashboard, go to the MCA services tab as shown in the above image -> CHECK STRUCK OFF COMPANIES' option.

Here you can either search by company's name / CIN or import excel as well.

First you have to download the template, enter the CIN(s) in that file and upload the same here. Your results will be displayed in the search history.

All paid users have free 5000 credit available and Free Users have a credit of 25 companies for testing, you can check the utilization by clicking on your name in the right top corner.

We hope this new feature enhances your experience and streamlines your workflow.
