

## **SET BOARD MEETING NUMBERING**

Dear users,

We're excited to introduce a new feature that allows you to set the default numbering system for Board Meetings as per your preference.

You can now choose to number your Board Meetings either:

- Financial Year-wise, or
- In continuation across years.

Based on your selection, the system will automatically generate and display the appropriate meeting number while scheduling a new meeting.

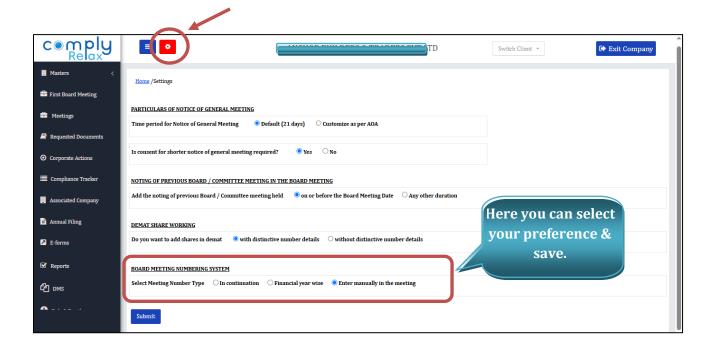

Alternatively, if you prefer, you can also manually enter the meeting number when adding a meeting.

## **STEPS TO FOLLOW:**

Dashboard -> Masters -> Company Master -> Open Company -> click on the Settings icon on the top
